Dear Parent:

Field trips are an important part of our classroom instructional program. **Non-walking trips** are pre-planned and you will receive a note regarding time, destination and means of transportation. **Walking trips** sometimes become available on very short notice; therefore, you may not always receive prior notice.

No child will be allowed to go on any type of field trip unless a signed permission slip is on file in the classrooms. Therefore, we would appreciate your completing the short form below and returning it to your child's teacher immediately.

Each child must have their own form in the classroom.

Sincerely,

Bill Overton, Principal

My child, _____, in Room _____

has my permission to participate in **walking field trips** during the 2011/12 school year. I understand that all such trips will have staff and/or parent supervision. Walking field trips are in the area of Ohlone School.
