2011-2012 Ohlone Student Directory Information

The school directory is a publication of the Ohlone PTA and is for the sole use of school community members. The PTA will not provide your information to anyone outside of the Ohlone community. The directory is published for the families, staff and volunteers of Ohlone Elementary School for their convenience, and it may NOT be used for any other purposes, including commercial uses.

One copy of the directory will be given to each dues-paying member of the PTA and extra copies will also be available for purchase. PTA memberships and extra directories will be ordered via the One Check Form in your Back-to-School Packet.
